

New Protocols for Appointments.**

The close personal contact required in the services we offer make it especially difficult, yet critically important, to accommodate the necessary social distancing and sanitation in this time. Keeping clients and stylists safe is the number-one priority for M de V. Please familiarize yourself with these new protocols before your next appointment:

- Our salon can accommodate social distancing, so those that are comfortable doing so are welcome to wait in our reception area for your appointment. If you prefer, you may also wait in your car until the exact time of your appointment before entering the salon.
- It is imperative you are in the salon at your designated appointment time, as our schedules will be tightly booked.
- Masks will be required to be worn at all times while in the salon. We look forward to seeing your fashions!
- Clients will be asked to wash their hands immediately upon arrival. Hand sanitizer will also be available.
- Only individuals with scheduled appointments will be allowed in the salon. Clients should come to their appointments alone.
- If you are sick, stay home. If you have a temperature, stay home. If someone in your house is sick, stay home. If you have allergies and can't control sneezing, stay home. In any of these cases, reschedule your appointment to a later date.
- Your stylist will be happy to grab any products you wish to purchase. We ask you not to touch the items on display.
- Please bring your own beverages, as none will be available onsite.

*** M de V reserves the right to deny services to anyone exhibiting symptoms or not following salon guidelines.*

Please know we are taking every precautionary measure in regard to this virus. Additional sanitation and disinfection procedures have been added to our already rigorous cleaning practices. Your M de V stylists are doing everything in our power to keep the health and safety of all our clients top of mind to ensure we are able to remain open.

If we all work together, we hope the restrictions will ease and life can resume more normalcy. Again, we appreciate and care about all our clients and cannot wait to welcome you back into the salon!

Thomas, Anna, and Karen
